6<sup>th</sup> November, 2003

Dear Parents/Guardians,

I am pleased to inform you that our AGM was successfully held on 24<sup>th</sup> October, 2003. More than 200 people including parents, guardians and teachers attended the meeting. The meeting started sharp at 7:00 p.m. after parents and teachers had attended the Opening Ceremony of the Parents' Centre and celebrated for the 10<sup>th</sup> Anniversary of the Association. The Committee sends our sincere gratitude to all those parents who sponsored the food for the gathering and those who helped on the spot. Your support brightened all the activities in that evening.

The meeting began with my welcoming speech and a brief report on affairs of the Association. Then Mrs. Tang, the Headmistress gave a report of school affairs for the past two months and the future development. After that, Mr. Mohammad Razaq, the Treasurer (Parent) gave a summary of the account as at 31/8/2003. The highlight of the meeting was the election. Five new executive members were elected from the eight candidates. Competition was very close and the winners won by a narrow margin. It was a nice gathering.

For your information, the executive members were assigned to different duties. The following is the list of office-bearers of our PTA for the year 2003-2004.
