To parents and guardians,

**Intensive Remedial Support**

As a result of an assessment by the educational specialists, that indicates your child is experiencing learning difficulties. It is highly recommended that your child, __________________(__) should receive intensive remedial support by joining the Intensive Remedial Teaching Programme of our school in 2003-2004. We reserve a place for him/her because we believe that if more resources are provided to your child, with more experienced teachers and more variety in teaching and learning, your child will certainly enjoy studying more and achieve much progress.

The Groups will commence from the second week, i.e. 8 September, 2003 on every Monday and Wednesday / Tuesday and Thursday from 3:10p.m. to 3:50p.m.

Parents please kindly indicate whether you agree your child to receive intensive remedial support in the above mentioned by completing the appending reply slip and return it to the class teacher before 5 September, 2003 (Friday).
