Dear Parents/Guardian,

To help our pupils and their parents integrate into the local community is the vision of the school. It is always one of the school’s major concerns in promoting the sense of belonging to the HKSAR in pupils. It is always the school’s wish to help our pupils and their parents lead a pleasurable life in the Chinese society. Hong Kong would become their permanent home. In order to help pupils foster their civic awareness, pupils, especially the uniform groups are trained to observe group discipline and team spirit. To provide pupils with the actual experience, they will be brought to observe the flag raising ceremony at the Golden Bauhina Square, Wanchai on 21st December, 2003. To provide pupils with a better understanding of the Hong Kong history, pupils will also visit the Reunification Tower at Tai Po Waterfront Park and the Tang Village in Yuen Long. Parents are also invited to join this activity with your child at your own expense. Details of the visit are as follows:-
