To Parents / Guardians of P.4-P.6,

**Spellathon**

To promote children’s awareness on environmental protection through meaningful activities, our school is participating in Spellathon organized by WWF to raise funds for environmental projects. The activity is going to run for two weeks from February 9th to 20th.

After joining the activity, your child will come home with an activity folder. He / she will have to learn the words in the activity sheet and find sponsors to support them. They will be tested at the end of the two weeks, after which they will have to collect the money from their sponsors. This should then be forwarded to their English teachers. Parents are requested to assist their children throughout the activity.

Kindly complete the reply slip and return it to the class teacher on or before January 12th.
