To: Parents/Guardians of P.2,

**Talk on Mathematics Teaching**

To help pupils build up foundation in mathematics learning is a major area which we would develop in pupils. We believe children could have better achievement if parents work collaboratively and co-operatively with the teachers. To enable parents to have a clear understanding of mathematics teaching in the school, a talk will be arranged for all parents on 22nd March, 2004 from 2:20 p.m. to 3:00 p.m. in the school hall. Please indicate in the Reply Slip whether or not you would join the talk and return to the Class Teacher on or before 18th March, 2004.

Thank you for your attention.

Mrs. TANG LEUNG Yuet-may
Headmistress
