

Ms. Camille Ho SEKPS SMC Alumni Member Candidate (2025-2027):

I am Camille Ho, Graduated from SEKPS in 1976, Now I am working in St. Paul's Hospital as Senior Nursing Officer, Honorary Tutor at HKU, and Visiting Lecturer of Master in Nursing Program at HKPU.

Through 2019 - 2023 to me was very fruitful because I was lucky enough to be the chairlady of the SEKPS Alumni Executive Committee. Therefore, I was also appointed as the member of the SMC, in this period of time I had learnt a lot from my teammates, I felt that my relationship with the school had become closer and closer. I got involved in planning and development of the school that I felt I could contribute my knowledge to my school that nurture me to become who I am now.

Dear Alumni, I hope all of you can give me another chance to serve.

Thanks for your Support!
