Learning Outside Classroom

Like the blink of an eye, time has flown and it's now the fourth year that I have served in Sir Ellis Kadoorie (S) Primary School. Being the Headmistress, I couldn't be happier to observe our pupils growing up in a healthy and learning-enriched environment. As always, our staff and I will not spare any effort in continuously enhancing the teaching and learning in school.

For me personally, my view is that although it is essential for pupils to master the knowledge from the textbooks, education should not be bound only within the classroom. Equal importance ought to be applied to promote pupils' awareness of the affairs in society which have an impact during these years. In order to further strengthen our pupils' concept of society, we have arranged a series of workshops and activities. For example, in order to equip the pupils with living skills, we spent time visiting a supermarket in Admiralty and Sai Ying Pun Market. Pupils were able to learn more about what products are sold in these markets and how customers are served. The concept of increase in living costs, such as inflation, was discussed during the day out. Our pupils learnt to treasure the food offered by their parents and show more concern for food wastage.

Other outings into the community our pupils have experienced include the Hong Kong Museum of History and Sam Tung Uk Museum where they discovered a lot about Hong Kong's contemporary history and its older architectural style.

To facilitate the transferring of knowledge gained outside and process it when back inside the classroom, a cross-curricular program called 'Project Learning' was held last year. Pupils from different levels were given a topic and were invited to step out of the classroom to learn more about their community, nature and the environment. An exploration into the life of birds was carried out by Primary six pupils. To process and apply the knowledge gained, all pupils were tasked with applying their knowledge from different subjects. Pupils used numeracy skills when analysing and producing statistic data, creativity skills when making the bird home. Research skills were also used to understand information related to where birds live, what they look like and what they eat. Pupils have gained a greater sense of understanding the importance of promoting environmental values.

With the continual positive contribution from all of our staff, I am confident to say that Sir Ellis Kadoorie (S) Primary School is definitely a good place for pupils to learn and grow healthily.

Sau-man

Ms CHUI Sau-man
Headmistress

Love and Care

Many of you may already know that our school's major concern is 'Love and Care' this year. To grow our pupils' understanding of what it means and how it looks, we have separated it into two parts. The first part being how to 'Love Yourself' and children are taught ways of taking good care of themselves and having been learning about it since the start of the new school year. We listened to a talk first and then pupils pledged to try their best to achieve the target they set. Other activities and learning experiences have also been given to promote this topic.

Workshops and interest classes as well as competitions and a series of campus TV programmes have been included. We hope that our pupils can develop their loving character and strengths through all these channels.

Ms Yeung and Ms Yiu conducted talks to introduce the major concern 'Love and Care'.

A workshop about toilet hygiene was arranged for P.1 classes.

Road safety talk for lower levels to teach them to cross the road safely. MTR talk on dealing with emergency for P.4 - P.6 pupils.

Youth outreach programme on street dance for P.4 & P.5 pupils to stretch their talents.

Project 'CHANGE' - Hockey class for beginners in hockey organised by Wan Chai Police District.

Parent Education: Tea with Headmistress

We work closely with parents to bring about the best future for our pupils. Our school organised workshops and talks to share positive parenting skills as well as strengthen the communication among parents, the school and pupils. The first session of 'Tea with Headmistress' was held on 21st November, 2019 and parents were warmly welcomed by our Headmistress, Ms Chui. We were happy to see new faces joining us this year.

We were delighted to have Ms Chan from the United Christian Nethersole Community Health Service, to share her experience and knowledge on 'Home Safety'. She introduced several ways to prevent the potential dangers at home such as falls, getting electric shocks, burns and scalds. Under the guidance of Ms Chan, time was also reserved for parents to have hands-on practice in dressings and bandages.

It was a warm day, and everyone was enjoying themselves. The more time we spent together, the greater home-school bonding we created. Hope to see you next time!

To take good care of our kids, we need a strong body.
Regular exercise is a good way to keep us healthy.

Thank you parents for joining this meaningful event. What a great time we spent together.

We can handle some minor injuries now.

P.6 Graduation Day

2018-19

Our P.6 Graduation Day for pupils completing primary school in 2018-19 was held on 29th June, 2019. All P.6 graduates prepared well for this exciting day. Parents and teachers were moved by the boys' and girls' sincere manner at the ceremony and proudly observed the confidence shown in the singing and dancing in front of all parents and teachers. It was an unforgettable day for them!

A moment to treasure with teachers and good friends!

Graduates thanked teachers through the song 'Do I Make You Proud'. The answer is definitely 'Yes, of course'.

The Guests of Honour

Class 6C finished their performance of singing 'A Million Dreams' & 'Happier' in a cool pose.

The Musical 'The Magic of Memories' performed by Class 6A showed us true friendship and wonderful school life.

Class 6B performed singing 'One Day When I Grow Up' & 'Friend of Mine' with actions. Everyone of them waved to say 'Goodbye SEKPS' and 'Join the team of Good Old Friends'.

The Second Prize-giving Day 2018-19 was held on 5th July, 2019, to acknowledge and show our appreciation of our pupils' effort and outstanding performances during the second term. Apart from honouring the great effort pupils have paid, the school has also presented the following prizes to 6 school staff who showed outstanding dedication to SEKPS.

2nd Prize-Giving Day 2018-19

The Little Reporters have invited the awarding teachers and school staff for an interview. Let's take a look!

Little Reporters: Hello, Ms Ada. It is the first year you work in SEKPS and you got the Most Commendable Supporting Staff Award. How do you feel?

Ms Ada:  I am very happy to receive the prize. It encourages me a lot! I have a memorable year that I helped pupils in Chinese lessons and taught in Chinese tuition. I hope I can teach and get to know more pupils in the coming year. Thank you all of you!

Little Reporters: Ms Yeung and Mr Wong, do you have anything to share with all pupils in SEKPS after receiving the Most Commendable Teachers Award?

Ms Yeung:  Thank you so much! I am happy to receive the prize. My grandma taught me to help in all kinds of situations when I was a kid, I become a social worker. It is my own choice too. This job is quite challenging. I enjoy working with Mr Wong and all teachers to help pupils and their families.

Mr Wong:  I am very happy! I would like to thank my colleagues and pupils because they make my job meaningful and enjoyable. I wish all the P.6 pupils have a grateful school life in SEKPS and a good start in secondary school. I also hope pupils continue study hard in the coming year.

Ms YEUNG Choi-mei
Mr WONG Chi-shing

Ms CHO Wing-ha, Ada
Ms CHOW Oi-yan, Mandy

Introduction of

• Summer School Uniform

For boys

- White shirt with school name
- Navy blue shorts or trousers
- Black belt (optional)
- Short white socks
- Black leather shoes

For girls

- White frock with school name and belt
- Short white socks
- Black leather shoes
- Black, dark blue or red hair accessories

Proper Summer Uniform

SEKPS is proud to present its new school uniform for boys and girls. We are making changes to the school uniform in September, 2019. We hope all our pupils will be wearing the new uniform by 2022.

For boys and girls

- P.E. T-shirt with school name
- Navy blue shorts or long pants
- Short white socks
- White rubber shoes

P.E. Summer Uniform

Summer school jacket

New School Uniforms

Winter School Uniform

For boys

- White shirt with school name
- Red school tie
- Navy blue trousers
- Black belt (optional)
- Short white socks
- Black leather shoes

For girls

- White shirt (with pointy collar)
- Red school tie
- Navy blue frock with school name and belt
- Short white socks
- Black leather shoes
- Black, dark blue or red hair accessories

Proper Winter Uniform

For boys and girls

- P.E. sweater with school name
- Navy blue long pants
- Short white socks
- White rubber shoes

P.E. Winter Uniform

Winter school jacket

Fleece vest

Fleece jacket

Introduction of New Teachers

Hello, everyone!
I'm Ms Tse. I enjoy living a simple life. I avoid buying too many things so that I can treasure the things I have already had. My motto is 'Less is more'.
Nice to meet you.

Ms TSE Yuk-ye
English and Putonghua Teacher

Hi, I am Ms Lui. I am so grateful to meet you all again. I hope all of you would become a person who shows love to one another and care of others' needs. Wish you a happy school life ahead!

Ms LUI Wing-ching
Class 1C Class Teacher
Chinese, Maths and Putonghua Teacher

Hi, everyone. I am so happy to join SEKPS this year. I like visiting different art museums to look at the amazing artworks. My favourite movie is 'Spirited Away'. I love cats and travelling around the world.

Ms WONG Yee-man
Class 2B Class Teacher
Chinese, G.S., I.T. and P.E. Teacher

I am Ms Li and I am responsible for providing extra support to pupils. I hope that my pupils can enjoy the fun of learning and achieve their best.

Ms LI Ching-man
Part-time Teacher

Hello! I'm Ms Tang. I am very happy to join Sir Ellis Kadoorie (S) Primary School this year. I like watching movie and travelling. I enjoy learning and creating music with children too. I look forward to meeting all of you. Feel free to chat with me in recess time!

Ms TANG Siu-chong
Chinese, G.S., I.T. and V.A. Teacher

I'm Ms Kwok. There are so many things I'd like to do in my life and travelling is one of them. I hope I'll have a chance to visit Kenya and Machu Picchu in Peru. I also like taking pictures. Tell you a secret, travelling and taking pictures are truly a perfect match. I'll tell you more about travelling next time!

Ms KWOK Lai-lee
English Teacher

P.3 PEEGs 2019-20

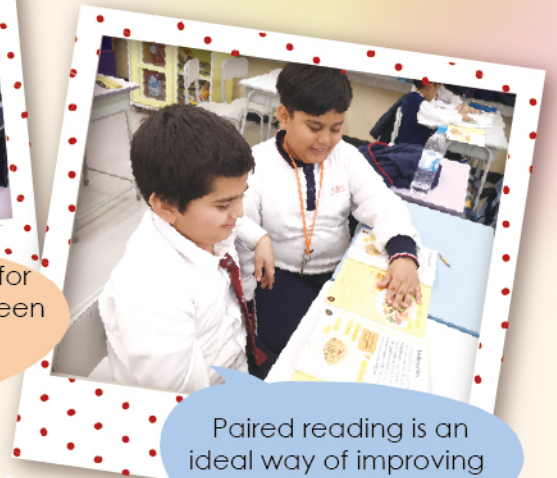

This year, our school has successfully applied for the Grant Scheme on Promoting Effective English Language Learning in Primary Schools (PEEGs). Under the scheme, P.3 English and G.S. teachers collaborate to design a school-based 'Learning Across Curriculum'. The programme aims to maximise pupils' exposure to different text-types through a thematic approach. 'Food Lovers' is the designated theme for the first term. Through reading non-fiction books and watching related videos in English lessons, pupils found out the fun facts and myths about food. They also learnt how to write their own recipes. In the G.S. lessons, pupils conducted experiments to distinguish between healthy and unhealthy drinks. They learnt actively in authentic contexts and ultimately apply the acquired knowledge in real life.

That photo makes me hungry!

Using tablet to look for the connection between food and culture is interesting!

Paired reading is an ideal way of improving reading skills.

Learning how to read and understand food labels can help us make healthier choices.

I'm a little chef learning how to make the fruit kebabs.

Dress Special Day

Well goes the proverb, 'It's more blessed to give than to receive'. To put words into action, the Dress Special Day was held on 4th October, 2019. The theme for this year was 'WEAR TO GO'. It provided pupils, parents and teachers with an opportunity to give a helping hand to the less fortunate in our community. A total of \$28,085 was raised and donated to the Community Chest of Hong Kong this year. What an effort from everybody!

Pupils felt happy they were able to contribute by donating money on the Dress Special Day. They dressed in their national costumes and enjoyed the day!

Class 1B Athar Zikri Nurviansah

I am very happy and I enjoy this day because I can wear my own traditional costume and see what others wear on this day.

I enjoy having this Dress Special Day because I can learn more about other's culture. I wish we can have this event next year again!

Class 4C Ubamos Kaitlyn Margaret

Class 3C Simran Kumari

I hope I can join the Dress Special Day next year. I am happy when I can help the poor and the homeless.

Class 5A Choi Ho Ting, Issac

I see a lot of happy faces on the Dress Special Day. We give the money to someone in needed, this is a very meaningful thing.

P.1 Birthday Party

We are the twins in class 1B and class 1C. It is the first time to celebrate our birthdays in SEKPS. We enjoyed it a lot!

Class 1B Wong Chau Ting Evelyn
Class 1C Wong Chit Aiden

The first P.1 Birthday Party was held on 6th December, 2019. All P.1 pupils were invited to this special event to celebrate with the birthday boys and girls who were born in September to December. Parents were also invited to share the happy moment. Everyone enjoyed the games, songs and photo-taking together. Everyone was delighted to enjoy the party food and drinks too. The birthday party was so cool that none of the kids wanted to say good-bye

What an enjoyable day! It was one of the best days in primary school.

Class 1B Athar Zikri Nurviansah
Class 1B Lau Tsz Yi, Eve
Class 1B Tang Cheuk Ho William

It was so cool to have friends celebrating birthdays together!

Class 1C Kalila Prasadini Krishna
Class 1C Stefan Davi Lima Pereira
Class 1C Skeahan Kelly Chor-kiu

We felt so excited and happy to enjoy this big day together!

Class 1A Gurleen Kaur
Class 1A Sasaki Anne

School Picnic

Our school picnic was held on 1st November, 2019.

P.1- P.2 pupils enjoyed the picnic with parents and teachers at Lai Chi Kok Park. P.3-P.4 and P.5-P.6 pupils had the picnic at the Lion Nature Education Centre and Yuen Long Park respectively.

With the fine weather for picnic, our pupils explored the magnificent natural scenes in Hong Kong. P.1- P.2 parents prepared a lot of food and could be seen happily enjoying the parent-child activities. P.3-4 pupils not only had the picnic at the outdoor feature zone but furthermore they also had the opportunity to visit an exhibition hall. P.5-6 pupils also had a lot of fun in Yuen Long Park where they were actively engaged in the exciting outdoor activities there. Along with the excitement of the games enjoyed amongst the pupils and parents, a lesson on environmental care and protection was also given to pupils afterwards.

Our precious moment! We enjoyed it so much.

Good to meet new friends!

We had lots of fun on the picnic day!

Class 6B Bruton Mya

This is the final year of my primary school life. I enjoyed the time with my classmates, my friends and my dearest teachers. We took many great photos and played games. I cherish the wonderful time with them.

Class 1A Mehmood Moosa

It was the first time I went to Lai Chi Kok Park. I like the park so much because there are different games to play. We played on the monkey bars, swings and the long slides there. My mum prepared my favourite chicken nuggets for me. I had a good day with my classmates.

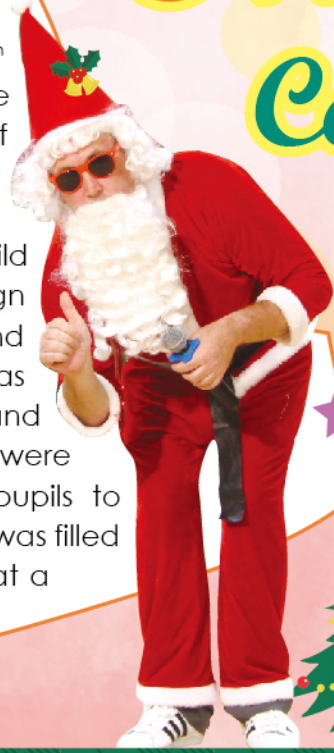

Class 4A King Kevin Setiawan

On the school picnic day, I was excited when I got up. We went to the Lion Nature Education Centre by coach. My groupmates and I were keen to explore the site. We had lots of fun here.

Christmas Celebration

Our school's Christmas party is always one of the highlights of the school year. It was successfully held on 20th December, 2019. Pupils were able to wear their own choice of clothing and bring food to enjoy while having a class party. Pupils watched the 'Parent-child Christmas Stockings Design Competition' and could sit and enjoy other performances such as African drum, songs by the choir and a special visit from Santa Claus. We were all honoured to invite kindergarten pupils to enjoy the show with us. The whole venue was filled with happiness, laughter and LOVE. What a powerful and fabulous show!

Winners of Parent-child Christmas Stockings Design Competition

An angelic choir of beautiful voices sings a heavenly rendition of Christmas carols.

Looking for the best African drummers? Here we are.

The highlight of this year's party came when Santa Claus conducted the exciting lucky draw.

Elite Athletes at SEKPS

At SEKPS, we lay a strong emphasis on sports and physical development. Our sports curriculum is designed for pupils to develop and enhance skills like strength, speed, endurance, agility, flexibility, control, balance, etc.

We set achievable goals for the different skills required for a particular sport and train pupils accordingly. We believe in mass participation, exposing our pupils to a number of sports events at inter-school, district and territory-wide level.

Athletic Team

Our P.E. teachers work as a team to provide pupils with a systematic and professional training program. Besides enhancing physical strength, discipline and team spirit are also developed in our daily training. Pupils learn how to face challenges and overcome difficulties during regular training sessions as well as internal and external competitions.

Basketball Team

Some wish for it, we work for it! Teamwork makes the dream come true, we will strive for greatness by hard training!

Cricket Team

Be strong when you are weak.
Be brave when you are scared.
Be humble when you are victorious.
Let's go, Cricket Team!

Win or go home! We promise to do our utmost in every game we play. Let's go, boys!

Football Team

Rope Skipping Team

A cheap and portable tool, an easy and effective way to exercise, certainly beneficial to cardio fitness and most importantly, it is fun! What is it? It is rope skipping. What are you waiting for? Get a rope and start jumping!

Table Tennis is a fantastic game for primary school pupils. We aim at promoting this game among pupils and encourage the talented players to excel in this sport.

PTA Annual General Meeting

The PTA Annual General Meeting was on 25th October, 2019. Parents who joined the PTA Ex-com Member Election and SMC Parent Member Election as candidates and those who voted in the elections showed their great support to the PTA. The dancing performance by parents also attracted much attention. Besides, pupils who took part in a STEM-related activity during the summer holiday also shared their work with parents and guests on that day. What a splendid day!

Pupils who joined the PMQ project 'Yes, Kids Can' did a presentation about their project. Well done, pupils!

The Zumba dance made everyone followed the beat and 'danced'! Parents rehearsed for a few weeks for the performance. Their teamwork and effort were very much appreciated!

Refreshment Time! This year parents prepared snacks as well!

Mrs Lenlie LACHICA LEUNG (Parent of Class 6A Alyssa) was elected on the spot as the Honorary Auditor of the Association for the school year 2019-20.

The new PTA Ex-com members

Yoga Classes

Let's work hard and stay healthy together!

To strengthen the parent-school relationship, different workshops and interest classes have been organized. Two yoga classes for parents were arranged in collaboration with the United Christian Nethersole Community Health Service to promote healthy lifestyle.

Parents tried their best to follow the instructions.

Cooking Workshop

Guess what we are going to make.

The avocado is an incredibly healthy food loaded with important nutrients.

On 25th October 2019, 25 parents were invited to a cooking workshop to make Malaysian bean soup and dipping sauce guacamole. The dishes parents made were served as refreshments after the PTA Annual General Meeting in the evening on the same day.

We may now serve our food as refreshments after the PTA Annual General Meeting!

We have to be very careful when handling the boiling water pot.

Sharing from Serving Parents: Lunch Discipline Helpers

I am the lunch helper of Class 1A every Monday. It is a good chance for me to experience the children's social interactions during lunch and help guide and encourage them. Helping the children is always a highlight in my day.

This year, our school is delighted to have some serving parents who will stay with the lower primary pupils during lunch and lend a helping hand to them if necessary. They would like to grab this opportunity to share their thoughts with everyone.

Lunch Discipline Helper: **Ms Karen FAN**
Parent of Poon Wen, Rosamund (Class 1A)

I'm the lunch helper of Class 1C. I aim to teach the pupils independence, such as table manner, tidying up their lunch boxes. It is quite amazing to see how much they improved in behaviour and self-discipline. Hopefully, more parents would join and be a part of the volunteer group.

I'm the lunch helper of Class 1A and 1B. I encourage pupils to enjoy and finish their food. I teach them to be independent by showing them how to clean up their own mess. I teach them how to enjoy their lunch time without being so loud. I encourage them to always keep in their best behaviour at all times.

Thank you all lunch discipline helpers for your hard work throughout the year!

Lunch Discipline Helper: **Ms Merbelyn ONDOY**
Parent of Rendell Samantha Mae (Class 6A)

Mr Jeffcoat's English Fun Activity

Hi, everyone! I've created an online game to challenge you. Please download the Kahoot! app / scan the QR code and get ready!
(Chops will be given to the top 5 pupils in each level!)

There will be three different games for respective levels. The topics are about general knowledge of Hong Kong. The Kahoot! pins will be announced by me during the morning sharing session. I will also write the pins on the blackboard in your classroom. Stay tuned!

Pupils' Creativity Corner

By Karanjot Singh (Class 5A)

Pop A Joke!

Q: I broke something and people were happy for me. What did I break?

A: I broke a record on a Sport event!

Fun Facts!

Q: Which animal has 3 hearts?

A: The octopus / squid ! An octopus has three hearts, nine brains, and blue blood. Two hearts pump blood to the gills, while a third circulates it to the rest of the body. Like an octopus, the squid also has 3 hearts.

Dear pupils, you may design your own fun game or pop up joke for the next school newsletter. Please jot down your great idea on a paper (with your name and class on it) and pass it to Ms Leung. It's time to spark your creativity!
