Assignments for the 21st Century Students

Over the last school year, as the pandemic raged and all schoolwork became homework, to us, what mattered more than homework was whether our students felt happy and supported.

Homework is sure to be a necessary part of schooling, however, we believe the value depends highly on what is assigned and how it is assigned. Homework should be able to enhance self-directed learning skills, organization, and time management skills, thus, it never has to be a traditional paper-and-pencil exercise.

During the pandemic, our students were kept up with reading logs, a variety of activities, projects, and presentations that engaged learning skills and creativity. These activities are student-centered, authentic, purposeful, and, at the same time, challenging. It extends the learning from school to home.

In this issue of SEKPS Scoop, our students are going to share with us what they have been working on during the holiday season. At the same time, we can see changes in assignments as an evolution that leads students to create their good work, rather than us telling them what good work is.

At SEKPS, assignments are evaluated by quality rather than quantity. We believe that with improved quality of assignments, learning outcomes will as well be improved.

"Love is what we need now."

Love is what I need.
When I feel sad, my mom makes me smile.
When I'm in trouble, my dad helps even he is away for a mile,
When I am lonely, my sister comes and stays with me.
When I am confused, my teachers teach me skills.
When I feel bored, my friends give me a big thrill.
Love makes us feel peaceful and comfortable.
They are the love I need.

"Where there is a will, there is a way."

The way is windy and long,
But I want to be strong.
I know I may fall down many times,
I will give it another try,
I may need a push now and then,
But time will tell
I will get to the top in the end.

"There is nothing in a caterpillar that tells you it's going to be a butterfly."

Caterpillar, Caterpillar, see how much I feed.
Chew and chew my way among the leaves.
Sleep, sleep well in my dream inside the cocoon.
Don't look at what I was and see what I will achieve soon.
Butterfly, Butterfly, see how high I fly,
Seeing my wings touch the blue sky

1A Fan Yuet Ming

"The journey of a thousand miles begins with one small step."

If you believe it, you can do it.
Just keep trying and learn roller skating,
For this moment you are waiting,
One more step and you can make it.
Everybody just keeps trying,
And always believe in yourself!
The smallest step in the right direction is the
biggest step of your life.

2C Li Mei lan

"After the storm comes the sunshine."

COVID-19 was like an everlasting rainstorm, continuing all the way from 2019 to 2022, however, I believe the sun will come out eventually.

When it finally stops, I can go out and have fun at school and enjoy learning with my classmates and teachers. I might even go traveling, shopping, eating at restaurants, or visiting my relatives in Shanghai.

I miss my friends and teachers a lot, especially the time when I can play with them. I believe this storm will finally stop, and the bright warm sun will shine upon us again.

3B Lau Tsz Yi

"Where there's a will, there's a way."

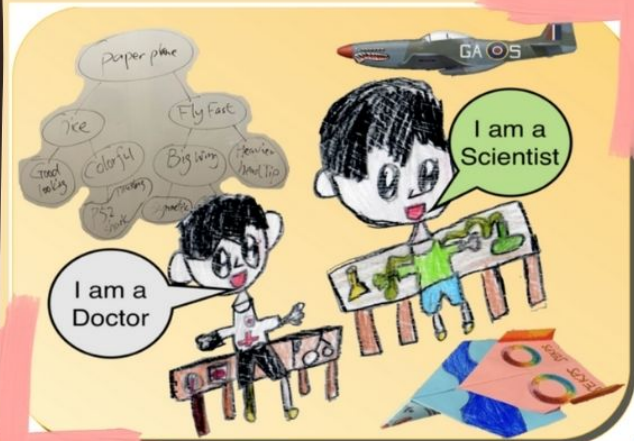

Life is full of chances, anything is possible!

I aspire to be a robotic scientist or medical surgeon when I grow up. How can I make my dream come true?

I start to read books and news about these topics. I join STEM competitions and design future planes! These are awesome experiences and I enjoy them all the way.

Still a long way to go before becoming a scientist but I am going to move one step at a time. Keep it up and seize the day!

3B Tsang Sum Kaphas

"There is nothing in a caterpillar that tells you it's going to be a butterfly."

When I smile, people will smile at me.
When I am kind, people will be kind to me.
When I am joyful, people will be joyful too.
Let's smile, be kind and be joyful.
The world will be as colourful as a rainbow.

1B Law Shun Hei

"Sunsets are the proofs that endings can be beautiful too."

I went out to see the beautiful view of the sky one day. Yet, the weather was gloomy and I couldn't see any beautiful views. I was upset.

At that very moment, the sky was ablaze with the fire of the setting sun from the cracks of the clouds. It was wonderfully beautiful.

This is a great reminder that no matter how rough, sad or bad our day is, there will always be something that will brighten up your day. All we need is to look a little farther to see the promise and hope of a better tomorrow.

4A Anichka Elize S. San Juan

"There's always light at the end of the tunnel."

This year, I joined a dance competition and I have been practising dancing every night and day. Dancing is my life!

Five days before the competition, I received a shocking news: the dance competition was cancelled! I was very disappointed.

'I hope that is not true. I have worked so hard for the competition,' I murmured to myself.

The next day, my mom hugged me and said, 'The competition is going to take place online.' I was so thrilled because my hard work would not be wasted.

Now I realize that 'there's always a light at the end of the tunnel'. All we need is to stay calm and be optimistic.

Did I win the competition? The answer is POSITIVE!

4B Pollard Mairead Aine

"One good turn deserves another."

You've cared for me since I was born. With countless sleepless nights, you fed me and changed my diapers. I pushed you away but you hugged me. I cried but you stopped and listened. When I fell, you picked me up. In everything, you put me first instead.

I promised to do all your commands: doing housework, learning good manners, and more. I won't put you in shame. You will be proud of me.

In return for your kindness and the good deed that you do, I will never forget. I will take care of you and share my dreams with you.

4B Lai Pak Sum

"The silence speaks the volume."

For years, the world has been dealing with the COVID-19 Pandemic. Frontiers continue to fight for everyone's protection, while people stay at home to follow the protocol.

The image represents nature's serenity, a nature at ease, at peace, and with calmness – a complete portrayal of silence. Despite the impacts of the pandemic in Hong Kong, calmness prevails in every aspect of our life, including our minds and heart.

This peacefulness serves as a source of hope not only for frontiers but for everyone fighting for a peaceful and normal future.

A place surrounded by silence speaks volumes: silence sends a powerful message that everyone can hear. That silence enlightens everyone's mind with hope and light.

4C Cahilig Jaella Vienn

"Always stand tall and never give up."

It was a windy day with some winter sunshine.

That day, I failed my Chinese test and I was really disappointed in myself. My dad knew that I was really upset about it. Therefore, he decided to take me for a walk.

"Look at the trees, they are standing tall in the wind." My dad said.

I looked at those trees and told myself, I shouldn't be upset about failing my Chinese test. Instead, I should be stronger than before and work harder, so that I can pass my Chinese test next time. Whenever I pass by that tree, I look up and remember "to always stand tall and never give up."

4C Arsalan Khan

"A coin has two sides."

It started to rain the night before the field trip. My brother and I were so sad and disappointed.

My mom said, 'Raining doesn't mean that you can't have fun.' She said she had the same experience when she was young. She also asked Grandma the same question. At that time, Grandma said, "A coin has two sides. Why can't we dance in the rain?"

In a flash, I got it! I took my brother with me and had fun under the rain. We shouted with excitement and felt happy again. Raining can be fun too!

5B Navneet Kaur

"Beautiful sunset needs cloudy skies."

When you're not happy, you feel like nothing is right. Some people will go shopping to make themselves happy. I will watch go out to enjoy the beautiful scenery of the sunset.

You will discover the weather changes every day, just like our mood changes. At sunset, the sky slowly darkens and I feel like all bad feelings are covered by the clouds in the sky. I can cheer myself up and move on to the new day. Never let bad things get in my way.

5B Cheng Lok Yee, Angel

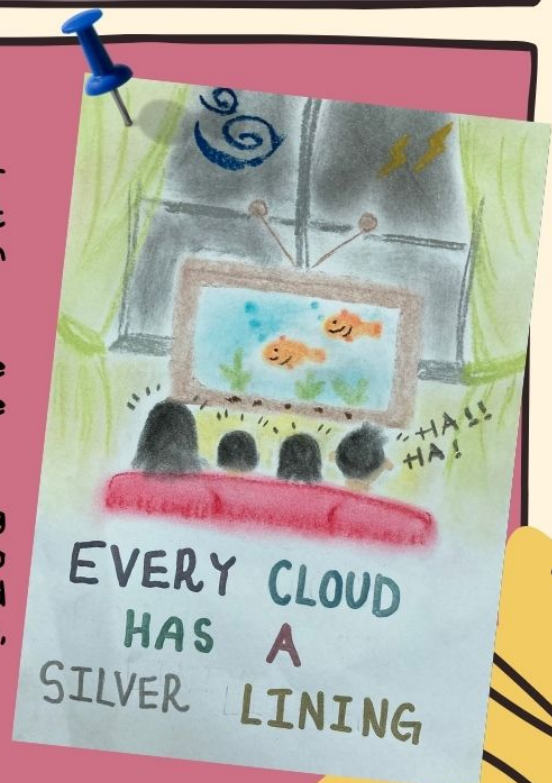

"Every cloud has a silver lining."

It was a Saturday night. My sister and I were packing for our Disneyland trip tomorrow. Yet, the weather forecast just ruined all our mood: there would be heavy rain tomorrow! Really? Unwillingly, we postponed the trip.

The next day, we stayed at home and watched a movie instead. It turned out that the movie was amazing. We also had so much fun while playing board games together.

Every cloud has a silver lining: there is always something positive in what we so called "negative things". Due to the postponement of the Disneyland trip, we even had more fun in a bad weather. As long as we still have hope, something negative might turn to be positive at the end.

6A Sharma Vineeta

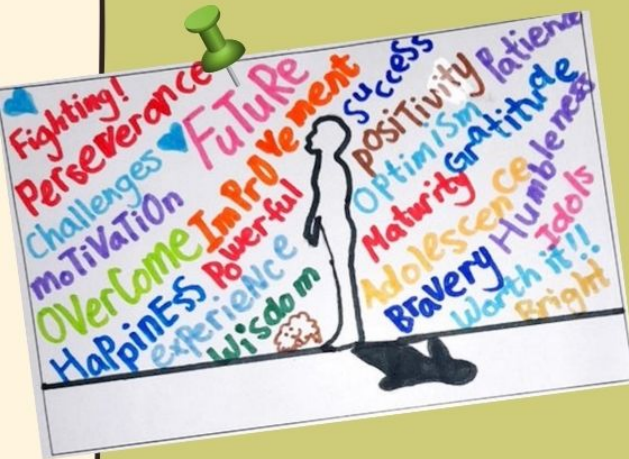

"There's always light at the end of the tunnel."

At times when we are all facing challenges, we feel like unmotivated and losing hope. Although we face hardships in our life, we have to believe that a bright future is on its way.

I hope we could all work together and finally we will achieve success. We will be able to feel a sense of comfort and happiness very soon.

6C Cheung Chynna Ayesha

"Big results require big ambitions!"

It was a bright morning and I felt very energetic. My dad and I went to the park to play football. While taking a rest, I looked up to the sky and thought, "Am I going to be a football player when I grow up?"

I shared my thoughts with Dad. He grinned, "My boy, be ambitious!" I nodded my head and answered, "Got it!"

Then I practised even harder. My dad had a big smile on his face. At the end of the day, he gave me an ice-cream as a reward.

Since then, I keep practising football so that I can make my dream come true!

6A Sasaki Yu

"Every cloud has a silver lining."

Our teacher assigned a visual arts assignment for us. I spent three days to draw the picture.

On the day before the deadline, I lost my art work! I tried to find it everywhere but it was in vain. I was very sad and thought to myself, "Oh no! I have no work to hand in on time."

When I was about to give up, my mother told me to try drawing it again. I cheered myself up. I gave it some thoughts and have it drawn again. It turned out the drawing was more beautiful than the previous one. My teacher appreciated my work.

We should never feel hopeless because difficult times always lead to better days.

《小沙粒，謝謝你》 — 智 羅信禧

1

有一天，天氣晴朗，小老虎阿吉到公園裏玩耍。他看見公園裏有很多小動物。

2

我也想和他一起玩堆沙。

阿吉看見小牛阿福在沙池中玩耍，心裏想：「我也想和他一起玩堆沙。」

3

但是，阿吉很害羞。他不知道怎樣跟阿福說……忽然，一陣風吹來……

4

……把一粒沙子吹進阿吉的眼睛裏。

5

阿吉感到眼睛痕癢，便不停地眨眼，心裏想：「真討厭啊！」

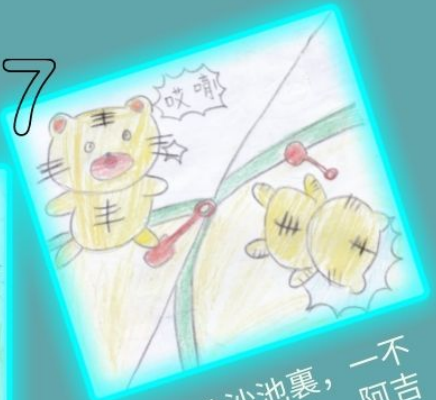

6

他好像很喜歡我呢！

阿福看見阿吉向他不停地眨眼，心裏想：「他好像喜歡我呢！」

7

阿吉走進沙池裏，一不小心，摔了一跤。阿吉馬上站起來，揮揮手，跺跺腳，想要弄掉身上的沙子。

8

他很熱情地向我打招呼呢！

阿福看見阿吉手舞足蹈，心裏想：「他很熱情地向我打招呼呢！」

9

我叫阿吉，我很開心可以和你一起玩。

阿福走向阿吉，微笑着說：「你好，我叫阿福，請問你叫甚麼名字？我們一起玩吧！」

10

你好，我叫阿福，你叫什麼名字？我們一起玩吧。

阿吉聽見阿福的邀請，連忙說：「我叫阿吉，我很開心可以和你一起玩。」他心裏暗暗說：「小沙粒，謝謝幫我結交了一個新朋友。」

《餃子》

三智 武福鈺

我最喜歡的傳統食物是餃子，因為餃子皮非常軟糯，美味可口。

餃子是一種歷史悠久的民間小食，它起源於東漢時期，相傳是「醫聖」張仲景首創的。餃子的諧音是「交子」，寓意新舊相交，所以人們會在除夕夜吃餃子，以求來年平安吉祥，而吃餃子亦成了中國北方的傳統習俗。

製作餃子的過程並不簡單，我們要把冷水和麪粉混和，然後把它們揉成一個大大的粗麪團，再蓋上濕紗布。放置一小時左右後，就可以用刀把粗麪團切成數個小麪團。我們們要先把小麪團揉成直徑約三厘米的圓長條，接着用刀把它們分成小份，然後用木棒把它們搓成薄薄的圓形餃子皮。有了餃子皮，就可以包裹肉餡，再用手把餃子捏成元寶形。我最喜歡吃餃子，真希望有一天可以和家人在除夕當天一起包餃子，然後一起吃着親手製作的餃子迎接新年呢！

《小燒賣》

三勇 何穎好

我的名字叫小燒賣。我的外皮主要是用蛋黃、蛋白、中筋麪粉、水和鹽搓壓而成。此外，人們會加入少量的薑黃粉替我穿上鮮黃色的衣服，因為調整外皮顏色後的我變得更漂亮了。而我的內餡則是以豬肉、魚肉及蝦肉混合而成。只要把餡料用外皮包裹好，然後放進蒸爐內煮熟，就可以製作出既好看，味道又鮮美的小燒賣了。

早上人們到茶樓喝茶時，我總是非常受他們歡迎。當我被端到不同食客的桌上，看到他們吃得香和滿足的樣子，我實在感到非常開心呢！

《香港的地道美食》

四智 嚴梓桐

香港的地道美食有很多，如雞蛋仔、叉燒包、燒賣、魚蛋和煎堆……雞蛋仔是一種特別的小食，它的特點是其中一面內部呈中空及脆口，另一面則呈現蛋糕及軟柔柔的口感。它的外觀也很特別，圓圓的，又有不同的顏色和味道，以迎合不同人的口味。

雞蛋仔最早見於五十年代的香港，由於當時雜貨店的人不想浪費剩下的雞蛋，所以他們把一些麪粉和牛油等食材加入蛋漿，再把它們倒進模具烘焗，然後雞蛋仔就誕生了。因為它既美味又特別。而我更喜歡「原味」。希望有一天，我可以製作一份獨一無二的雞蛋仔，和我的家人和朋友分享。

《賀年食品的意義》

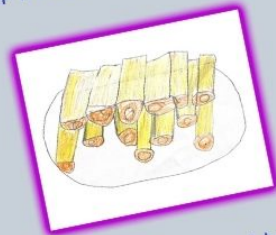

四仁 賴柏森

賀年食品於中國傳統上有它們的特殊意義，讓我為大家逐一介紹。

魚—增加財富
蒸魚是中國傳統的新年食物。魚(餘)即是有盈餘，寓意每年的生意均有盈餘。

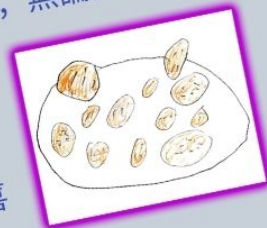

炸春卷—增加財富
春卷俗稱黃金萬兩，它的形狀及顏色被中國視為黃金一般，故頗受歡迎。

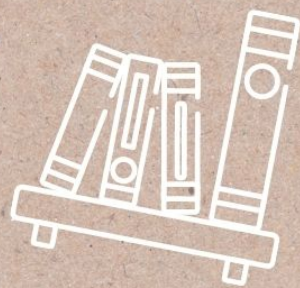

長壽麪—長壽之麪食
從文字裏已知曉它的意義，是中國人頗為重視的食品之一，無論是以煎炒或上湯煮，均美味可口。

湯圓—團團圓圓
中國人均希望新年時能夠闔家歡聚，所以在新年期間，湯圓是頗受人們喜愛的食品之一。

《香港中央圖書館》 五勇 阿哈默德

每逢假日，我都到香港中央圖書館去。它坐落於銅鑼灣鬧市，就在維多利亞公園對面。香港中央圖書館樓高十二層，設施齊全，館藏書量非常巨大。我最喜歡到二樓的兒童圖書館，坐在舒適的沙發上，安安靜靜地閱讀自己喜愛的圖書。我從中吸收了知識，擴闊了眼界，充實了心靈……香港中央圖書館是個知識的寶庫，是我喜歡的假日好去處。

《一星期遊覽銅鑼灣》 五智 鄭樂兒

哥哥星期一從加拿大回來度假，我和爸爸媽媽決定帶他去銅鑼灣遊覽一星期。今天我們決定去銅鑼灣的時代廣場。時代廣場是銅鑼灣地標性的商場建築，也是銅鑼灣區最大的商場，最厲害的是它有着香港唯一的四條螺旋型扶手電梯。到了時代廣場，那裏人山人海，有各種的店舖，還有一些是賣茶或奶茶的店舖。我們一家也買了來喝，非常好喝和清涼。我們從商場的九樓逛到一樓，途中買了不少衣服和飾物。逛得差不多大家都累了，我們就找了一間餐廳吃晚飯。吃完飯我們就回家了。

星期二早上，我們來到銅鑼灣的金百利商場，這個商場只有四層樓高。又到購物的時間，這裏有很多飾物買，所以媽媽來到這裏很開心，但似乎爸爸不太感興趣。

星期三我們改晚上來銅鑼灣，我們來到皇室堡。皇室堡地下中庭正舉行新春遊樂園活動，每一個月都會轉換其他的卡通人物。這裏有很多的食物可以買，還有幾間茶樓。最後我們決定在其中一間茶樓享用晚膳。吃完晚飯後，我們在皇室堡商場逛了一會就回家了。

星期四特別一點，我們一家去了自創唇膏體驗工作坊。到了這個地方，媽媽興奮不已，我們可以選擇自己喜歡的唇膏大小，更可以刻上我們的名字。我們先加蜂蠟、橄欖油和乳木果脂，將材料隔水坐溶。加入植物色粉後，再攪拌至均勻及加入維他命E，令唇膏更加滋潤。

這幾天我們一家遊覽了銅鑼灣的熱門景點。哥哥也感到非常開心，再過幾天哥哥就要回加拿大了，所以其後的幾天我們會去其他香港熱門景點。

《銅鑼灣》 六智 葉志翹

今天，我和家人一起去銅鑼灣逛街。銅鑼灣是香港熱鬧和活力非凡的地方。看看人山人海的人龍，就知道香港「美食天堂」和「購物天堂」的稱號，實在是名不虛傳！

因為我們沒有想去的地方，媽媽提議到崇光百貨逛逛。一進入崇光百貨裏，真是車水馬龍！我們在百貨公司隨意到處走走，但最後我們都買了心儀的禮品。我買了毛巾，妹妹買了熊公仔，爸爸買了一個枕頭，媽媽買了電子產品。

下午三時，我步行至香港中央圖書館，中央圖書館被喻為讀書聖地，一絲絲的陽光從落地大玻璃透進室內，彷彿可以洗滌心靈，令人更加醒神。最後，我們借了幾本好看的讀物。

下午六時，我們經過鵝頸橋，橋底傳來一陣陣「打小人」時燃點香燭的煙熏味，令鼻子有點不舒服。因為是下班的時段，所以人流會多一點，無論是穿西裝的上班一族，抑或是衣著隨便的婦人都在等着「打小人」。傳說打小人這習俗是希望能幫被「小人」禍害的人消災解難。

最後我們走到銅鑼灣避風塘，欣賞優美的風景。街道上，霓虹燈及電子屏幕光芒四射，交織成一幅妙趣橫生的海景，美極了！經過一天的旅程，我對銅鑼灣有了更深的認識，還令我更加喜歡它。

《銅鑼灣》 五信 Scarlet

星期日，媽媽帶我去銅鑼灣購物。

到達銅鑼灣後，我們先去時裝店買衣服和飾物。然後，我們去家具店買了些家具。黃昏，我們在日本餐廳吃了一頓豐富的晚餐。

我感到很高興，因為可以和工作繁忙的媽媽外出逛逛，真難得啊！

《一隻老虎來到銅鑼灣》

六仁 Zishan

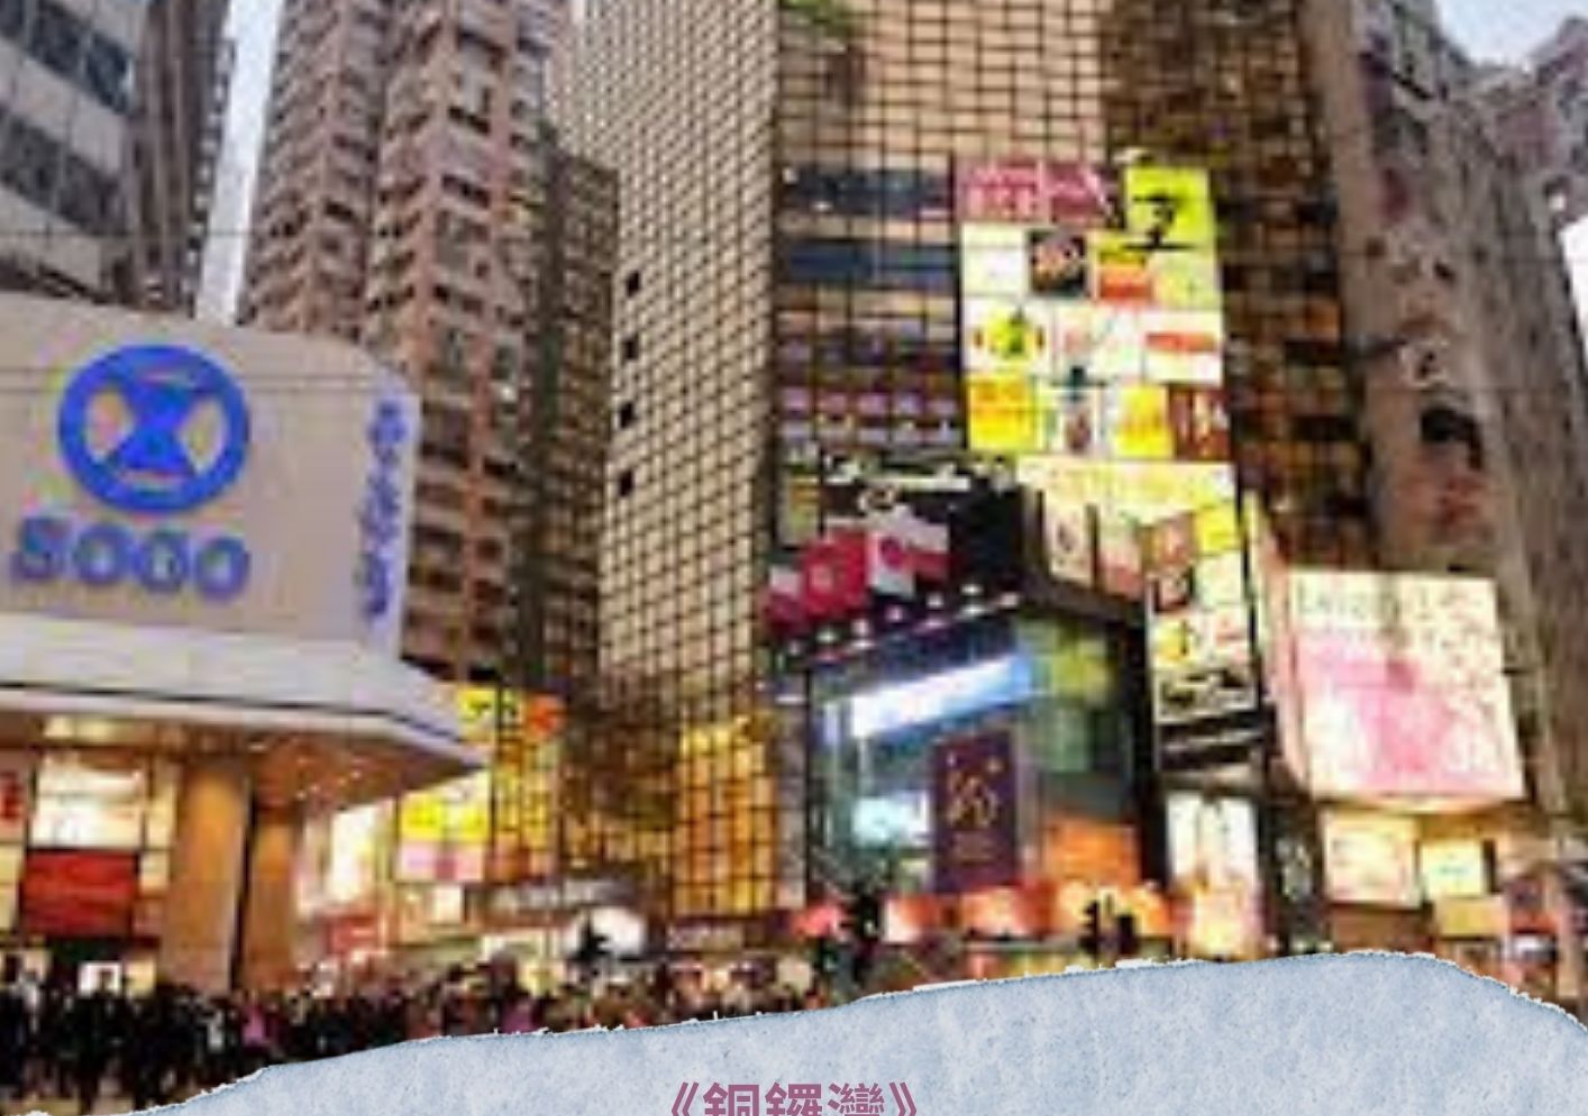

有一天，銅鑼灣的人們如常在街上購物。這對每個人來說都是平常的一天。突然，一聲響亮的咆哮聲傳了出來，那是一隻老虎的！

每個人都跑了，當他們看到一隻老虎在路中間時都尖叫起來，汽車和車輛則停了下來，人們在車內呆着。

然而，一個男孩跑過去對老虎說：「你不要傷害我們啊！」老虎停了下來，靜靜地坐着。每個人都注視着老虎，不敢鬆懈。當他們發現其實這隻老虎很友善，不像其他老虎一樣兇猛，便鬆了一口氣。

從此以後，老虎每年都會來銅鑼灣探望大家。

《銅鑼灣》 六信 Chynna

銅鑼灣曾經因為城市發展在東角兩旁進行大規模開墾及填海。事實上，幾百年前，銅鑼灣是一處只有海洋和山圍繞着的地方。

時至今天，銅鑼灣是香港最擠擁和最繁華的地區之一。這是因為那裏有很多購物中心，如崇光百貨、時代廣場等，亦有很多餐廳，其中有許多都營業至凌晨，所以有很多青少年都喜歡到那裏逛逛。

最近，我和朋友一起在銅鑼灣度過了一個愉快的週末。我們先去了H&M時裝店購物，因為那裏有很多冬季流行的衣服和飾物給我們選擇。午飯的時候，我們決定在西餐廳吃飯，因為排隊的人不多。吃完飯後，我們決定看幾個月前剛上映的《蜘蛛俠—不戰無歸》。

在銅鑼灣探索我從未去過的地方之後，我明白了為甚麼它是一個如此受歡迎的地方。雖然銅鑼灣有點擠，但我很享受在那裡歡樂的時光，我希望能再去那裏遊玩。

Chinese Poetry Recitation

Reciting poetry helps to make speaking more fluent. Students will learn how to link the words in each line, gliding from one word to another without pausing. Poetry is, in fact, very closely related to music. Each line in a poem rhymes and they have a certain rhythmic pattern. Moreover, the appreciation of Chinese poetry enriches our soul, and help to develop creativity.

Kadoorians always loved reading not only because it is fun, but because they could step into another world. Whether it is fighting off dragons or entering a new realm, students could count on their imagination to travel to places they dream of. To enhance creativity and promote reading, our students have designed some book marks.

Kadoorians are all book lovers. Reading leads us to adventures, fantasies, and wonders. Our students got into the festive mood of Christmas while reading books like 'Pete the Cat Saves Christmas', 'Sneezy the Snowman' or 'The Polar Express'. After reading the books, some designed a new transport for Santa Claus or new clothes for the snowman. They also gave thoughts to how to show care and love to others in the form of writing or vlog production.

Santa was very busy at Christmas. What would the Kadoorians say to Santa at Christmas?

Dear Santa,
How are you during the COVID Pandemic? I hope you still can deliver presents to our houses. Please make sure you wear a surgical mask while delivering the presents. Keep good hygiene and wash your hands frequently.
My friends were thrilled when you visited us at our Christmas Party. We enjoyed the moment when we took photos and play games together.

Santa, Santa, I have some new year's goal to achieve. I want to win a prize in the rope skipping competition. Then I hope I can do well in my examinations. I hope my parents will be proud of me.
Wishing you a happy new year in 2022!

Love,

DEAR SANTA,
IN 2022, I WOULD LIKE TO LEARN MORE ABOUT CHINESE AND MATHS. I WANT TO FOCUS ON MY STUDIES. I WANT TO GO TO THE UNIVERSITY IN THE FUTURE.

I WANT TO HELP MY LITTLE BROTHER WITH HIS HOMEWORK TOO. I WANT TO BE A GOOD SIBLING OF HIM.

I PROMISE THAT I WILL TRY HARD TO ACHIEVE THESE GOALS IN 2022. IF I FAIL, I WILL TRY, TRY, TRY AGAIN!

LOVE,
5C HANFA

Dear Santa,
My goal for 2022 is to learn to speak Chinese. It is because I want to help my brother with his studies.

In the meantime, I wish you a safe trip when you deliver your presents. Merry Christmas!

Dear Santa Claus,

In 2022, I want to improve my football playing skills such as dribbling and shooting. I want to play it well in football matches with my teammates. I will work hard to improve these skills.

I want to work hard in my coming exams because I want to go to an ideal secondary school. I will study hard and do more exercises in order to get higher marks on the exam.

I wish to improve my drumming skills. I hope to pass my drum exam. I will practice every day and watch videos of famous drummers to learn from them.

In the meantime, I wish you a happy Christmas and a new year full of happiness!

Love,
GB Michael

Dear Santa,

2021 has been a wild ride as we had to face the pandemic of COVID-19 once again and restrict our limitations of doing certain activities. Although I have managed to achieve most of my goals, I still have some remaining to be done so I hope I will achieve them, but the end of 2022. I am going to tell you some of my problems and maybe you can help me.

Have you ever had an "oversleep" problem? I guess not since you're always on time when you send gifts to children. I always oversleep. I am a bit down in the dumps and feel bad about this problem. My parents try to cheer me up by saying that it's common with young people. They suggested I should take it easy, and just grin and bear with it. Well, I hope I won't oversleep again in 2022. I will get myself an alarm clock so that I won't oversleep again.

In 2021, I started to realize that I would easily run out of breath after climbing a few stairs, and I wanted to change that by hook and crook. I vowed

This year, I would like to achieve a lot of goals. I want to keep fit so I will do exercises regularly. I want to improve my Chinese. I will join some tuition classes and hopefully, I will be doing better in Chinese.

I have a study plan. I want to study for at least an hour every day. I want to make the best use of my Christmas Holiday to study for my coming exams.

Most importantly, I want to make more friends this year. I will try my best to be the best buddy.
Bye for now, wishing you a very happy Christmas!
Love,

聖誕寶寶

「聖誕寶寶」是一個講述聖誕老人的故事。聖誕老人年紀開始老邁，對於派發聖誕禮物的工作感到吃力，於是，他許下了一個願望，希望自己可以變得年輕。怎料，這個願望竟然成真！他由聖誕老人變成了聖誕寶寶！

聖誕寶寶太年輕了，什麼也做不來，當然也不能夠到處派禮物。幸好，小女孩及時出現，成功將聖誕寶寶變回聖誕老人；聖誕老人亦明白到，他肩負着全球小朋友對聖誕節的期盼，實在是非常重要的工作。

同學閱讀故事之後，會想向聖誕寶寶說什麼呢？

My Christmas holiday was full of fun. Though I didn't receive any expensive gifts, the bonding I had with my family is priceless.

On Christmas eve, we had a family gathering. Everyone one of us wore red clothes because red means lucky.

On Christmas Day, I went to play scooter with my nephew and had a wonderful tea break with him afterward. Then, we went to the Zoological Botanical Garden. We enjoyed the beauty of different birds, mammals, reptiles, the wonderful greenhouse, and the Fountain Terrace Garden.

We left the museum and had lunch at a restaurant afterward. We spent 2 hours inside the museum. There was still a lot to see inside the gallery. I must visit M+ again soon.

On our way home, my legs started to feel numb because I had a lot of walking and exercise that day. It was a memorable day and I hope I can visit Cheung Chau again soon.

I went camping in Sheung Shui in the holiday. This was my first camping experience.

The landscape and the sky there were so beautiful that they brought a lump to my throat. In the evening, there was a lavish affair with glorious food and an endless supply of drinks. We had a barbeque, hot pot, beef, steaks, pork, seafood, veggie, noodles - you name it, we got it! I had them all to my heart's content.

Credits must be given to my Auntie. Thank you so much for her effort. I know that a lot of preparation was done behind the scenes. I hope to go camping again soon! (Please scan the QR code and watch my video.)
