**SEIZE
THE DAY**

The image features a dark green silhouette of a woman in profile, running towards the right. She is carrying a bag in her right hand and has a determined expression. The text "SEIZE THE DAY" is overlaid in a bold, dark green, sans-serif font. The background is white, and the bottom half of the image is filled with a complex, abstract pattern of thin, dark green lines that create a sense of depth and movement, resembling a digital or architectural grid.

Be Mulan

Today, we come together to celebrate the achievements of our dear Kadoorians, who have demonstrated exceptional perseverance, diligence, and responsibility in their work, and their commitment to excellence.

Let's take a moment to reflect on the importance of being Mulan. Mulan is a legendary figure who embodies the values of responsibility, perseverance, and diligence. She is a shining example of what it means to be a true hero, not only in times of adversity but also in everyday life.

Being responsible means taking ownership of our actions and decisions. It means being accountable for our mistakes and learning from them. Responsibility also means being aware of the impact of your actions on those around you and doing your best to make a positive difference in the world.

Perseverance is the key to success in any endeavour. It is the ability to overcome obstacles and hardships, to keep going even when the going gets tough.

Mulan was a hero who dared to stand up for what she believed in, to be true to herself, and to never give up on her dreams. It means facing her fears and overcoming them, and working hard with all her might on her dream. It also means being a positive influence on those around you and contributing yourself to your home, to your country, and to the world.

Dear Kadoorians, we must all embody the spirit of Mulan. We should take responsibility for our actions, persevere in the face of challenges, and be heroes to ourselves. We must keep in mind the values of responsibility, perseverance, and hard work. Be Mulan, and we will undoubtedly achieve great things. Remember that we have the power to make a positive impact on the world and that the choices you make today will shape our future.

I would like to take this opportunity to congratulate our P6 graduates, prize winners, and student performers. Your hard work and dedication have made this event possible, and you should be proud of your achievements. I would also like to thank our teachers, coaches, and parents who have supported and guided our students throughout their learning journey.

I wish everyone all the best in their future endeavours. May we continue to be Mulan, responsible, persevere, and be heroes for ourselves.

花木兰 @ METAVERSE

Mulan, a young woman from ancient China, is faced with a difficult decision when her father is called upon to serve in the army. Knowing that her father is too old and frail to fight, Mulan decides to disguise herself as a man and take his place in soldier training.

During her training, Mulan falls into the Metaverse and emerges in the year 2023. Confused and disoriented, she meets a group of Kadoorians who are amazed by her ancient clothing and language. As she learns more about the world of 2023, Mulan is struck by how similar the people are to those of her own time. They are perseverant, responsible, and hardworking, just like the soldiers she trained alongside.

As Mulan navigates this strange new world, she begins to see the connections between her time and 2023. She realizes that while technology and culture may change, the fundamental qualities that make a person great remain the same. With this newfound perspective, Mulan returns to her own time and completes her training with newfound confidence and determination.

When war breaks out, Mulan proves to be a fierce and capable warrior, earning the respect and admiration of her fellow soldiers. Her actions inspire those around her to be the best versions of themselves, and she becomes a legend in her own time.

Years later, as people tell the story of Mulan, they remember not only her bravery and heroism, but also the timeless qualities that made her great: perseverance, responsibility, and hard work. Her story becomes a reminder that these qualities are not limited to any one time or place, but are universal traits that can be found in people from all walks of life.
