

2D Anna

On a very cold day, Ben and his mother are going home. When he walks on the street, he sees a poor cat. He feels so sad for the cat. Then he gives the cat some food and a cup of milk. He asks his mum to bring it home. His mum says, "Yes, you can bring it home." He brings it home and keeps it as a pet. He treats his pet like his friend and they live happily forever after.
