My Birthday

On 24th September, I had a birthday party at home. First, I prepared the decorations. Then, I waited for my friends nervously and excitedly as well.

The party started at 3:00pm and it finished at 8:00pm. From 3:00pm to 6:00pm, we played some party games, such as, watching TV and playing board games. At 6:00pm, we had a yummy dinner. Later, my friends gave me some presents. They were so fabulous and amazing. There's a dress and two boxes of art stuff. (Which is actually my favorite present that I wanted so long ago.) I was glad.

I hope I can celebrate my next birthday at Ocean Park. I want to invite my family unless they don't need to work. I would like to ride on the roller coaster. I would like to have a toy archery as a present.
