Dear Prefects,

I'm very proud of you all because you are the one who take good care of us. Even at recess, lunch time and lunch recess, you stay with us. Our class got the 1<sup>st</sup> runner up in the discipline competition because of you. All of you keep the class environment clean and tidy. You help us keep quiet, line up straight and you wait until our subject teachers come. You did a good job! Thanks a lot.

Love,  
Kavinayaa
