Dear Matthew,

I'm writing this note to give a big thank you to my best friend. In school, you always stay with me and teach me when I don't know how to do homework. In recess, we always play together. Sometimes you tell jokes and silly stories. You are the funniest person I know!

In football practice, as I am the goal keeper in our team. Sometimes, you protect goals from other teams. If you get hurt, I will pick you up and support you by saying like 'Are you okay?', 'I know you can do it!' And when we won the match for the first time, I couldn't believe it that we won! I was so happy because you scored a goal. And I was proud of you. This is the team spirit. We always try our best to win and never give up, this is what friends do as teamwork.

After football practice, we go home by train together. On the way, we talk about I.T., General Studies and other subjects. I really like playing and sharing my happiness with you!

Your friend,

Carter
