

10<sup>th</sup> July, 2022  
Circular 50 /2021-22

Dear Parents,

**A reported case of SEKPS student having positive R.A.T. result (10<sup>th</sup> July, 2022)**

We were notified by a parent today that a 3A student was tested positive with R.A.T. The last day the student attended school was July 8, 2022 (Friday) and s/he has no sibling studying in our school. The school has already put forward the follow-up measures immediately:

1. Reported the case to the Centre for Health Protection (CHP).
2. Cleaned and sanitized the respective classroom and washrooms thoroughly.
3. Reminded teachers, students and staff who had close contact with the student to take note of their health conditions.
4. Reported the case to EDB.

We will have close contact with the CHP, and follow up with the health conditions of all teachers, staff and students. Parents are reminded to undergo R.A.T. for their child and upload the result to eClass before coming to school every day. Parents should not bring their child to school if the R.A.T. has shown to be positive. Parents could get more information about the COVID-19 virus from the CHP website: <https://www.coronavirus.gov.hk/eng/index.html> or contact them at 2125 1111 / 2125 1122. For enquiries, please do not hesitate to contact Deputy Headmaster, Mr. Chow at 2577 3489.

We sincerely wish the student to recover soon. We thank you for your attention to the above matter and parents are advised to take precautionary measures to minimize the risk of contracting the COVID-19 virus as much as possible.

Wishing everyone stay healthy all the time!

  
Ms YU Hing-yin  
(Headmistress)
