Notice 80b /2021-22

Dear Parents,

Students not suitable for taking COVID-19 Vaccination this time

Thank you very much for your intention to join the group vaccination of COVID-19 vaccine. However, your child is found not suitable to join the group vaccination this time because there are not enough interval days since his/her last dose of vaccination. Hence, I am writing to inform you that your child will not join our group vaccination this time. However, don't worry as we are planning the next round of group vaccination soon.

For illustration, students who joined us to take the 1st dose of BioNTech vaccine on March 25 could only have their 2nd dose of BioNTech vaccine after 56 days (8 weeks), i.e., on or after May 21, 2022. Students who joined us to take the 1st dose and 2nd dose of Sinovac vaccine on March 9 and April 6 respectively could only have their 3rd dose after 90 days of their 2nd dose, i.e., on or after July 6, 2022. Also, people recovered from COVID-19 will have to wait for a certain period before vaccination. Please refer to the following website for more details: <https://www.covidvaccine.gov.hk/en/recommendedDoses>.
