**Registration as Candidates in the Election for  
School Management Committee Parent Member 2021-2023**

**Candidate 1: Josie Lim**

Occupation: Personal Assistant

Name of Student: Quintin Lim (Class 3A)

My name is Josie. My son studies in P.3 now. I am a personal assistant to a Doctor now. Before that, I worked as Legal Secretary for many years.

I believe SEK is the most suitable platform for students to develop and unlock their potential given its unique global comprehensive guiding principles, which combines eastern and western culture with a small-class teaching environment in English and Chinese.

I would be honored to contribute my intelligence through joining the SMC and I will be actively involved in school events.

**Candidate 2: Nigel Sharman**

Occupation: Solicitor

Name of Student: Audrey Isaguirre Baloran (Class 4B)

I am pleased to present my candidacy for election to the School Management Committee.

I am a lawyer in an international law firm and have been working in Hong Kong for the past ten years. Law is my second career as I was previously a television producer for BBC News in London. I also worked as Assistant to the Director of Policy & Planning and Head of Broadcast New Services, management positions which gave me much experience in strategic decision making and operational implementation.

In the United Kingdom, I served as a director of the Royal Television Society and the Media Society. In Hong Kong, I served as an Associate Governor of the Foreign Correspondents Club from 2015 to 2016. In fulfilling this role, I sat on several committees including those dealing with finance, communications and the constitution of the club.

I enjoy singing and presently serve as the Honorary Secretary of the Hong Kong Welsh Male Voice Choir.

Since I have come to know the community at Sir Ellis Kadoorie, I have been impressed by the dedication and approachability of the staff and creativity encouraged in all the school's activities.

I believe I can bring my experience obtained from two different careers to the core objective of ensuring that the School's vision and mission is carried out.

I would welcome the opportunity to help develop the general direction for the School and would very much appreciate your support.

**Candidate 1: Mrs. Emily Law**

Occupation: Homemaker

Name of Student: Law Tze Hin Nathaniel (Class 1A)

I am Emily Law, Mother of Nathaniel in Class 1A. I have been a full-time homemaker since Nathaniel is born. Prior to that, I worked at banks. I have a Bachelor Degree in Marketing and an MBA.

Although this is our first year at S.E.K.P.S Primary, we are more than impressed by the enthusiasm and the kindness of all staff members, the diversity of the student population and the beauty of the school campus.

I hope by being elected as an Ex-Com member in the PTA, I can bring my experience as a good communicator to bear and contribute to the school community by acting as a conduit between the School and Parents and most importantly the Children.

I would humbly ask you for your endorsement in my quest to be a member of the PTA Ex-Com. Thank you.
